TERMS

Upon receipt of application, your application will be reviewed by the vendor committee and you will be notified on whether or not you are approved for a vendor space. Applications of returning vendors in good standing are considered first but no spaces will be held for returning vendors after June 30th. Any vendor who applies from July 1st forward will receive the same consideration as any other vendor. Acceptance of your application does not ensure reservation of a space. Spaces are reserved only for applicants who have paid their vendor fees. Final deadline for the standard vendor fee is November 1st, NO EXCEPTIONS. Any spaces paid for after November 1st will be accepted on a case by case basis and are subject to a late fee of \$25 per space.

Upon acceptance of application the following applies:

Be mindful this is an outdoor event and a tent or other covering is suggested but will not be provided by the event. Each vendor is responsible for their own tables, chairs and covering, as needed.

No items will be sold on School Day that are deemed inappropriate by festival management including, but not limited to, weapons, smoking paraphernalia, and any articles with offensive language or profanity. Please keep in mind that Civil War Weekend IS a family friendly event and all items for sale should be respectful of this fact.

Electrical access is available **but** electrical usage and requirements must be approved by event management in order to ensure proper access to electricity for all vendors.

The booths are 15x15, and are \$50 per space without electricity or \$75 per space with electricity, for the weekend, non-refundable. If you require a larger space than 15x15, you must rent additional space to accommodate your setup. Measurements of your space requirements must be submitted to event management to ensure proper space planning. This includes any and all storage spaces/trailers.

Civil War Weekend takes place, rain or shine. Hours of operation are Fri (9am-4pm), Sat (9am-5pm), Sun (9am-4pm). You are expected to be present and open for business during these hours, unless otherwise instructed by event management. All street vehicles must be in their designated parking areas by 8:30am each day. Vendors who close before the end of the event day will be noted and subject to having their applications rejected in the future. Friday is our School Day and is not considered mandatory for vendors. However, we do prefer that you open for school day and, because we want consistency in the event's appearance, whether or not you will be open all three days will be taken into consideration in vendor placement.

By accepting the agreement, the undersigned does hereby and forever discharge Liendo Plantation, its agents, employees, officers and directors, as well as spectators, sutlers, crafters and their re-enactor participants from all manner of actions, suits, damages, claims and demands whatsoever in law and equity, for any injury to the undersigned, or property damage to the undersigns property, while in the possession, supervision, or auspices of the Civil War Weekend, Liendo, it's agents, representatives and employees.
