

# 2017 Civil War Weekend Living History School Day

## Event Guidelines and Admission Procedure Info

- Gates open at 9am on Friday, November 17, 2017. Plan to arrive a little early to park and organize your groups for entry. Scheduled events begin at 10am but there is a lot to do and see before that and we don't want you to miss any of it.
- Civil War Weekend is an outdoor event and takes place rain or shine. Dress comfortably and appropriately for the weather. This is a large event covering a lot of ground so come prepared to do some walking.
- Civil War Weekend takes place on a working cattle ranch. All livestock are moved outside of event areas to make room for you to enjoy this day of fun. We ask that you do not tease our animals or approach any livestock in pens. Remember, this is their home.
- Some livestock will be part of the event such as goats, horses or calves. These animals are domesticated but they are still animals. Do not approach or touch any animals without the permission of their owners.
- The entrance to Liendo is a dirt road just and will be marked with flags on either side of the entrance. Please see our google map for accurate directions.
- Parking will be on your right just after the cattle guard and will be directed to maintain organization.
- After parking you will walk up the road to the ticket booths. There will be a staging area on the left before the ticket booths for school groups to meet up and get organized before going through the gates.
- There will be separate booths/lines for cash, credit and tickets purchased in advance. The ticket booths will be clearly marked to make it easy for you to find the right line for your circumstances.
- No personal checks will be accepted at the gates. School checks will be accepted at the cash or credit lines.
- The event will begin with the Union Camp just beyond the ticket booth area and continuing up the road and throughout the property. Please take the time to tour all of the areas and speak to the living historians.
- Chaperones must remain with their students at all times.
- Safe and respectful behavior is expected of all students. Liendo has been opened to provide a wonderful living history experience for students and our volunteers have donated their time to educate and entertain them.
- Multiple food vendors will be onsite for your enjoyment. Outside food is allowed, but not recommended, simply because there is a lot of walking involved and all items brought in will have to be carried around with you all day.
- First aid services will be located at the information booth throughout the day. It is centrally located near the food court for your convenience and provided by volunteers from the Texas State Guard Medical Brigade.
- Last but not least....be safe, behave and have fun!
